

# HAAS STORYBOARD

*Thank you for connecting  
people to Jesus!*

On November 5-8, we both completed the third phase of a total of about 40 hours training from Restoring the Foundations (RTF). We received issue-focused ministry (a prayerful process of applying the authority Jesus gives Christians as outlined in Scripture) from fellow trainees on a personal issue we shared. Then we took turns leading them through the same process. What a powerful time of spiritual healing! Please pray that we're able to grow in using these new skills as certified RTF workers in two-on-one counseling. Our local church is setting up a program to use all 12 certified people and host additional trainings to equip more people within our congregation as well as nearby churches.

In our previous (October) letter, we mentioned our friend Hannah who recently joined the MOTION team. She applied her artistic talents to designing a special "MOTION by the numbers" Christmas card. Our cycle of prayer letters every three months just shifted a month earlier. So rather than send both a letter and a card in December, we just want to share a brief update and use the entire next page to showcase how God has used your support over the past 12 months to connect people to Jesus. Thank you for your partnership! God has used all five members of the MOTION team to serve him in various ways in 2020. Much of the work didn't happen the way we planned but that's okay. As John the Baptist said about Jesus, "He must become greater; I must become less."

Merry Christmas,
